Release Notes/Latest Changes

November 2008

- GovPay's invoice report performance was improved for most invoice reports. Users will now see a "Please Wait" page while their report is being generated. This page will be displayed until the report is available for viewing. In addition, this minimizes the wait time required for generating reports with advanced query options.

- The "Action" column of invoice, award and user reports was modified. Users will now see a drop-down of available actions the user can take in the "Action" column that is refreshed when required. This feature requires that the user click the "Show Actions..." button for each row in which they wish to see the list of available actions.

The screenshot shows the GovPay logo at the top left. Below the logo is the user name "User: panda" and navigation links: "Home | Help | Contact Us | Site Map | Privacy Policy | Logout". The main heading is "Invoice Log". Below the heading is a search form with "GovPay Tracking Number" and "Starts With" dropdowns, a search input field, and a "Search" button. Below the search form are "Next Page" and "Last Page" buttons. Below these buttons is the text "Page 1 of 6 59 Matching Invoices". Below the text is a table with the following columns: "GovPay Tracking Number", "Award Number", "Vendor Invoice Number", "Invoice Date", "Total Amount", "Invoice Status", and "Action". The table contains three rows of data. The "Action" column for each row contains a "Show Actions..." button. A blue callout box on the right side of the screenshot points to the "Show Actions..." button in the first row, with the text "Click to show the drop-down list of actions."

GovPay Tracking Number	Award Number	Vendor Invoice Number	Invoice Date	Total Amount	Invoice Status	Action
EI200900259	IJ102938	00259	10/10/2008	\$813.67	Paid	Show Actions...
EI200808943	IJ102938	08943	09/15/2008	\$28,095.24	Paid	Show Actions...
